## Best Practices

**Title-Founder's week Ceremony from 4<sup>th</sup> to 10<sup>th</sup> December every year since 1981.**

**Goal-**

The area of low literacy and poverty was gradually empowered by providing higher education at low fee structure by our founder by establishing Maharana Pratap Degree College. Later it was donated to the State Government with the building, land and staff to open an University at Gorakhpur in 1956. He realized to open a new degree college again and this college, in his name, started in 1969. Since then Digvijai Nath P.G. College started founder week ceremony every year organizing various academic, cultural and sports activities in which the students of the college were participants and practice got much success and it had become most appreciated event in the city. In 1980, suggestions came from various sources to expand it at such a large level that the students from various colleges at every level of education may be participants of the activities. The planning was made and sent to governing body with the aim to create and evolve talent potentialities of the students of the area. The M.P. Siksha Parishad pleasantly granted to take the prize distribution expenses which at present are more than ₹ 3.5 lakh to the students of competency in various fields at various levels. Since 1981 the founder's week ceremony is celebrated every year till date.
