Extension work (Session 2014-15)  
Visit of Malin Basti of Humaunpur North (Jatepur) - A Report

09 selected students of B.Sc I (Bio) visited “Malin Basti” of Humaunpur (North) Jatepur on 22-01-2015 under my supervision to create awareness among residents of Concerned “Malin Basti” about daily cleaning of Houses & adjacent Roads, daily bath, sound health and Balanced diet.

Residents of the concerned area appreciated the appeal of my students. It is interesting to note that most of the people of the area appreciated the request of students to take vegetarian diet, which is scientifically more conducive for health. Students himself, cleaned the dirty places of the “Malin Basti” and reported that financial status of some of the resident is very weak and they are unable to provide good cloth, food & education to their children.

Name of the Students of the team are given below-

1. Rahul Bharti (Group leader)  
2. Sayed Soud Ahmed  
3. Mithilesh Chaurasia  
4. Satish Kumar  
5. Ajay Sahani  
6. Ravi Shankar  
7. Amar Ujala  
8. Vaibhav Jaiswal  
9. Vishnu Prajapati

Some Name of the person Contacted by Students in this Connection are -

1. Ramesh Chandra  
2. Ravi Kumar  
3. Sonu Kumar
